From September to June, it seems like a century, but really it's only nine months. We hope you'll enjoy reading our version of a school year that was meant to be.

The good times, the fun times, even some in-between times, are all upon us it seems. We've tried to capture special moments and laughter of memories that will always be.

We, the editors, give a special thanks to all whose cooperation and help made this annual possible. This is only page four and there are 124 more so sit back and enjoy our classic!

Dedication

"All are needed by each one;
Nothing is fair or good alone."

So firmly does Mrs. Martha Query believe Emerson's philosophy that "nothing is good alone" that she has requested we include her husband in our tribute to her. It is true that Mr. Walter Query worked right beside his wife as we swept the cafeteria floor, following the many basketball games at which we sold pop corn and drinks; sponsored sock hops, chaperoned junior-senior proms, sold tickets to ball games, painted the class room walls, drove us to the Ozarks for senior trips, and even went to Europe three different times with students from M.F.H.S. Therefore, it is fitting that the Class of 1979 says, "Thank you, Mr. and Mrs. Query, for the many extra hours of time, energy, and love devoted to our community and school."

Senior Class Wills

I, Pam Alexander, being of used-to-be intelligent mind and body, bequeath to all Forsythians the ability to remember to take off the emergency brake before driving *all the way* to school at 55 m.p.h.

I, Kim "Huss" Armstrong, being of sound mind (believe it or not) and bod, bequeath one new driver to the "bridge Club" who can drive "reasonably safe(?)'" while Suss, Cherie, and Amy are shouting left, right, "etc." . . . also one bottle of Cachet to Mich and all my clothes to Jamie because she *never* has anything to wear.

I, Cheryl Ashcraft, bequeath my disgusting T-shirt to Mark Lovelace so someone else can wear it when I'm not here anymore.

I, Kathleen Bond, being of sound mind and body, bequeath to Kris Teel one brown Cutlass with a white top and Texas license plates along with a wild summer; and to my sister Kim, the one and only "*Blue Bomb!*"

I, Shelly Boys, being of totally sound mind and body, hereby bequeath to my sister Paula, my semi-decent grades to that she can make it out of school within the next ten years; and to my brother David, better luck with Mrs. Query than I had.

I, Debbie Bruckner, being of hollow head, and other unmentionables, bequeath my ability to Karen Head to shift into gear without stalling in the middle of an intersection.

I, Kimbra Burris, bequeath to Mark Lovelace one "white-cross" band in hopes that he may have one of his own someday.

I, Julie Butler, being of reasonably sound mind and sizeable body bequeath to little brother Mark, my expert race car driving ability so he too can contribute to closed semesters.

I, Paul Cochran, being of excitable body and filthy mind, leave a book on "How to drive while having a car packed with wild and crazy people."

Space Odyssey 2004

It is the year 2004, 25 long years since our graduation date of 1979. A few of our old class mates got together and decided to hold a class reunion on the planet Mars. We had never found time to have one before, and we were all anticipating hearing from everyone. Since technology had advanced and interplanetary travel was easy, all of our old class members were scattered all over this universe.

It was up to the four of us: PAUL COCHRAN, KEITH CULLISON, KIM KOEHLER, and PATTY WEYEN, to get them all together. Our jet propelled space shuttle took us to cloud 9 where we found DEAN JOHNSON, MIKE JANETZKY, JIM EDGETT, and TIM YOUNKER having a tea party. We told them about the upcoming reunion and they told us that TIM MORRIS was a roach exterminator on the moons of Jupiter. When we found him on the fourth moon, he was using the famous method of smoking the roaches out of RENEA PARKER'S house. Renea is married to a successful purple Jupitorian. She has five curly headed purple Jup kids.

As we talked with Renea, she told us that BRENDA ZOMBRO was now living on Jupiter, too, with her husband. We went to her Galaxy-home to tell her about the reunion and we found her teaching piano. Her prized pupil is the ancestor of Beethoven.

When we stopped for fuel, we picked up a magazine and found that ANGIE GRISSOM is now a famous gossip columnist. She writes a three page article every week for the universal magazine, "Gift of Gab". We read in her latest article that Private DENYSE HASTINGS ran off with the General's son to some unknown part of the galaxy. After 25 years in the Army, you would think that Denyse would be smart enough not to fool around with General BRENDA STREET'S son.

LARRY DAVIS and RUSTY NEWLIN, an "ex-cream-a-donna," now own an interplanetary air service. Larry runs his own stewardess training school. STACY WHITEHEAD has finally graduated after 10 years under his teaching. She is now Rusty's personal stewardess.

We made our way to the planet Pluto and found KATHLEEN BOND and TERRY TEEL busy raising Longhorn R2-D2's on their Plutonian ranch. Their next door neighbor was GLORY YUNDT; yes, she took over her father's occupation, but in a shorter perspective.

A couple of miles down the road, we ran into KYLE HOFFMAN, who was busy herding his 50,000 sheep to pasture.

We went into the big city of Centura and were amazed to see KAY GRIFFIN a leader of the famed cult group, the Tittykakas. KIMBRA BURRIS is her chief recruiter of young members. CATHY CRAIG was also there with her cult — the Giddy-gurus. It seems there was a huge cult seminar going on.

Before we left, Patty decided to have her hair fixed, and was she surprised to find DAN MONTGOMERY as owner of Danny's Solar Salon.

As we left, we stopped to pick up two hitchhikers and were surprised to find that they were PAM ALEXANDER and CINDY HOWLAND. They told us that they couldn't make it to the reunion because they were headed for the cult seminar. We found out they had left their jobs as an accountant and dental hygienist.

We then zoomed on down to Earth in Hollywood where we met KIM ARMSTRONG. She told us she was a famous movie star, but as we left, she gave each of us 10 cards with her name, address, and telephone number on them. "Give them to anyone you see", she pleaded. While we were there we also saw that BETH WESTERMAN had made it big on the stage. She was in the 16th remake of Little Women.

We stopped in at Dunham's Detective agency and found CURT DUNHAM, famed private eye, working on his toughest cases — RANDY RUNYEN, a well-known criminal who steals toys from babies and is called Ranie Runnin, and GARY UNDERWOOD, who tattooed a ship on his stomach and insists on making everyone seasick.

We met SHARON VEECH on the street. She's still trying to make it into journalism school.

We went to Decatur, Illinois, and found SHELLY BOYS, who is now Mrs. Kreckle. She married her boss and is now half-owner of Kreckle's Kustard.

We zoomed to the planet Neptune where we met CATHY VEECH. After she graduated from high school she became the world's first woman astronaut.

We saw CATHY COWELL and her husband James. They were celebrating their 25th anniversary. They have 15 children and 32 grandchildren — all girls!

In the same apartment building, we saw JEANNE CHANDLER who is now Mrs. Stukins.

Beth told us that JERRY PECK was the most highly acclaimed "Playboy" in the outer galaxy. MARSHA SHOEMAKER, his favorite playmate, reaffirmed this.

We left Neptune only to run into CHRIS McCOY. He's still in the back seat of his starduster. In our Space Shuttle we tuned in on Saturday Morning cartoons to find that GARY POSZICH is now the cartoonist for the new show, Captain Caveman.

We finally arrived at the class of '79 reunion. Beforehand, we told PAM PENWELL to rent a big convention center for this special occasion. We told her to be very extravagant and to go to any expense. Thanks to Pam, we had our reunion in an old abandoned house and it was catered by Howard Johnsons. DEBBIE MARSH provided the dessert — popcorn, fudge, and candied apples.

At the reunion we saw JEFF DASH, who told us he had invested all of his money in ROD MORRISON's pigeon farm about 20 years ago. The venture never got off the ground because Rod ran off with a rock band.

Entertainment for the reunion was SCOTT HOWLAND's country band. DIANA TIBBS is the lead saxophone player, with CAROL STOUT as the lead singer.

We bumped into PATTY HUNT and KATHY HARRIS, both of whom worked for Mars' only public library.

Nobody recognized CHERYL GARRETT and KEVIN SPRIGGS when they arrived, for they were both bald — due to the use of Grecian formula 44. When SCOTT DEAL, the student council president from 1979, arrived everyone silently replied, Big Deal!

When BILLY BAKER came in he brought along some golden brown crescent rolls from his bakery. We guessed he decided to carry on the career that seemed to fit him.

We sat next to SANDY HUFFMAN, the only 43 year old cheerleader on the space cadet squad. After high school, Sandy decided to make cheerleading a career. She cheered for STEVE FEAR's number one basketball team called the "James Gang."

JIM SCHABACKER has become a mortician and BRYAN HARRIS was his assistant. A deathly silence fell over the reunion when they entered.

AMY HAINES is now a bookkeeper at both locations of the Brown Jug with her two friends.

FRED CURRY and his wife, Connie, are now photographers for the magazine called "Death," owned by WAYNE GARDNER. It is the chief competition of the magazine "Life."

Walking through the crowd was JOEY GARNER yelling "craps anyone?"

CARLA HACKETT is now helping CHERYL ASHCRAFT with her new art form. She builds statues out of ashes and she calls it "ash-craft!"

DEBBIE HAYS was walking around asking for money for the Billy Graham Crusade. She is the president of his fan club.

DEBBIE BRUCKNER and RICK PATTERSON were sitting quietly in a corner. It was easy to tell that Debbie is the boss in that family.

We didn't get a chance to talk to TAMMY HALL or KEITH CULLISON; they were having a good time reminiscing with their old friends.

EMILIA FERNANDEZ was the last to arrive at the party. Unfortunately, it seems as if she didn't have a very good time because everyone kept bumping into her, thus knocking her plate of food off her head. Her only reply, "HOW DISGUSTING!"

As you can see, a lot of things had changed since that so-much-looked-forward-to graduation day, yet it was so happy to see that that great class of '79 was still A-OK!!!

Class of 1979 Through the Y

As I recall my freshman year,
We girls had all the eyes
'Cause we liked to mix and mingle
With those "tough" senior guys.

I think our fellows as freshmen
Enjoyed their first year just as well
In spite of Homecoming activities
With all the "show and tell".

Our following year we watched the
"Freshies" push pennies down the floor
And hide from the evil seniors
As we had the year before.

After passing Driver's Ed. you'd think
Our parents would be pleased,
But some paleness was detected when
We asked them for the keys.

We juniors on New Year's Eve made
More than resolutions;
We started up some parties
and mixed up some solutions.

When Post-prom came along,
We were ready with our dates,
To experience how it feels
To "rock" on roller skates.

Sixty-six of us got together
And took our Senior Trip
Down to the quiet Ozarks
Where our sponsors took a "dip".

Comin' home from 'ole Missouri
We made a stop at SIX FLAGS,
Rode the mighty "Screaming Eagle"
And upchucked in the bags.

We baffled all the teachers on
The day we chose to skip;
Though they may not have liked it,
They couldn't give us any lip!

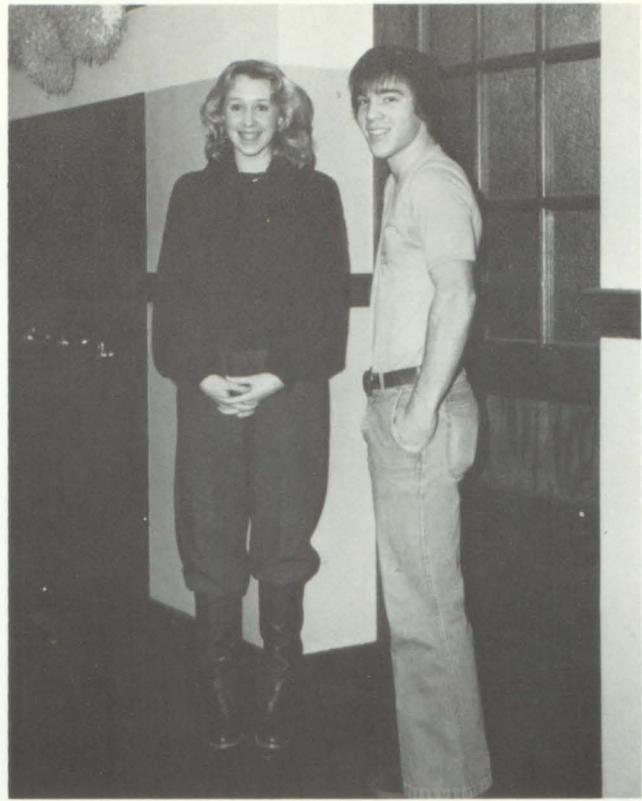

At graduation, some of us broke
Down into tears
As we said "good-bye" to friends
We'd made during those four years.

We know our days to follow
Will have us anxious with desire
For something better out of life:
To meet goals set much higher.

Class History

On an autumn day in 1975, 92 humble freshmen entered the hallowed halls of M.F.H.S. for the first time. Our class officers were Jeff Dash, President, Keith Cullison, Vice-President, and Patty Weyen, Secretary-Treasurer. Our sponsors were Mrs. Miller, Mr. Ryan, Mr. Kuykendall, and Mrs. Query. During the year we gained Kim Koehler, Brenda Street, Becky Schoffstall, Tonya Tuel, Carey Ogden, Chlorine Faulkner, Bobbi Johnson, Jackie Jones, Jodi Wilson, and Debbie Hays. Homecoming came fast and our float "Put 'em in Orbit" placed third. Our homecoming attendants were Debbie Marsh and Mark Walters. During the year we lost Bobbi Johnson, Chlorine Faulkner, Jackie Jones, Jodi Wilson, Ricky Doris, Larry Hastings, Mikel Smith, Becky Schoffstall, Susie Colbert, Rick Johnson, and we also lost a great sponsor, Mrs. Miller.

Our sophomore year brought more additions to our class. We gained Patty Hunt, Tom Bonds, Joey Eggemeyer, Denyse Hastings, Cyndie Montgomery, and Reva West. Sandy Huffman was President, Marsha Shoemaker, Vice-President, and Jeff Dash, Secretary-Treasurer. Our sponsors were Mr. Kuykendall, Mr. Ryan, Mrs. Query, and Mrs. McKay who replaced Mrs. Miller. Homecoming soon was upon us and our float "We've Got Pirates in Our Jaws" placed second. Cathy Cowell and Jim Edgett were our Homecoming attendants. Through the year we lost from our class Debbie Baker, Mary Belk, Sheila Pittman Merriman, Reva West, Mike Wolff, Don Darby, Cyndie Montgomery, and one of our sponsors, Mr. Ryan.

Finally reaching the first step of becoming upperclassmen, we started our Junior year. It was a busy and successful year with magazine sales, homecoming, Jr.-Sr. Play, and Prom which was held at the Decatur Club on April 21, 1978. The theme was "We May Never Pass This Way Again" with music by "The Front Page". Post Prom was held at Great Skate in Decatur with skating and games provided for entertainment. During the year we gained Gary Blair, Kathleen Bond, Fred Curry, Dean Johnson, Sheila Merriman, Dan Wheeler, and Chris McCoy. Our class officers were Jeff Dash, President, Marsha Shoemaker, Vice-President, Pam Alexander, Secretary, and Shelly Boys, Treasurer. Our sponsors were Mrs. Query, Mr. James, who took Mr. Ryan's place, Mrs. McKay, and Mr. Kuykendall. Homecoming meant a lot of work and a lot of fun. Our float theme was "We're Expecting T'win," and we placed second. Our Homecoming candidates were Beth Westerman, Kim Armstrong, Jerry Peck, and Terry Teel. During the year our class lost Gary Blair, Susan McDaniel, Sheila Merriman, Tammy Dash Summers, Carol Tschappat Leevy, Julie DeAngelo Butler, Carey Ogden, and Joey Eggemeyer.

We entered our last year as "mighty seniors". Added to our class were Carol Stout, Tammy Peters, Emilie Fernandez, and Sharon Veach. Our last Homecoming was really a good one. Our float "Scalp the Rednecks" won second place. Our Homecoming candidates were Katheren Bond, Rick Patterson, Angie Grissom, and Terry Teel. Our class officers elected for the year were Pam Alexander, President, Larry Davis, Vice-President, Marsha Shoemaker, Secretary, and Shelly Boys as Treasurer. Our class sponsors were Mrs. McKay, Mr. James, Mrs. Query, and Mr. Kuykendall. During the year we lost Tammy Peters. Looking back over the past four years, we, as a class, have a tremendous amount to be proud of and we, as individuals, have some beautiful memories to be cherished.

AWAY

I cannot say, and I will not say
That she is dead! She is just away!

With a cheery smile, and a wave of the hand
She has wandered into an unknown land.

And left us dreaming how very fair
It must be, since she lingers there.

And you, O you who the wildest yearn
For the old-time step and the glad return,

Think of her faring on, as dear
In the love of There as the love of Here . . .

Mild and gentle as she was brave,
When the sweetest love of her life she gave

To simple things: where the violets grew
Blue as the eyes they were likened to,

The touches of her hands have strayed
As reverently as her lips have prayed . . .

Think of her still as the same, I say;
She is not dead — she is just away.

A black and white photograph showing three young adults in what appears to be a bank lobby. On the left, a man in a dark jacket and light-colored pants looks down at a newspaper or document on a table. In the center, a woman with curly hair, wearing a dark dress with a sash, also looks down at the same document. On the right, another young man in a patterned shirt and dark pants stands with his hands in his pockets, looking towards the others.
